## COMMUNITY PARTNER PROGRAM

**ADTC is partnering with community organizations nationwide to get kids moving.**

American Dance Training Camps is the nation's leading provider of dance programs, birthday parties, and summer camps. Our mission is to help each student develop and appreciate her expressive potential through dance. At ADTC, we combine high-level instruction with a unique and memorable dance experience. Our main goal is to further the development of each student as a dancer and a person.

Dance is proven not only to be an excellent form of exercise, but also to help children develop confidence, poise, discipline and determination - while having a great time in the process. No prior dance experience is necessary to attend an ADTC dance class. Our outstanding program allows children to stay fit, build lasting friendships and gain self-confidence through their accomplishments in the dance environment.

### ADTC COMMUNITY PARTNER PROGRAMS

The ADTC Community Partner Program is a "turnkey" dance solution. There is NO COST to your local organization/business. We handle everything from beginning to end. Choose from 11 different dance styles and countless ways to incorporate them into your organization/business's schedule:

#### AFTER SCHOOL DANCE

Our classes for grades K - 12 range from hip hop to jazz to ballet to our popular "triple threat" program where kids sample three different styles throughout the year (usually hip hop, jazz & a choice between lyrical, contemporary, Broadway or modern) in one program. Classes combine students across appropriate grade ranges in levels we call ADTC I (grades K - 2), ADTC II (grades 3 - 5), ADTC Junior Teen (grades 6 - 7) and ADTC Senior Teen (grades 8 - 12). Students may register by Session (Fall, Winter, Spring) or for the entire school year. Participants attend one, one-hour class each week. Registration is on-going through mid-session, dependent upon space availability in each class.

#### SPECIAL EVENTS

ADTC Special Events are spectacular dance-themed shows designed to amaze and entertain audiences of any size. Our awesome dance teachers will first perform and then get everyone in the audience moving with a group lesson and highly interactive games & contests. Ideal for corporate events and community centers, ADTC Special Events can be customized to suit a wide range of group sizes, budgets or time frames. From girl scout banquets to Community Fairs or corporate picnics, American Dance Training Camps is a unique way to entertain an audience.

#### DANCE CAMPS

ADTC can bring a one, two or three-day (or one week +) dance camp to your YMCA, community center, parks & recreation department, gym, fitness center or even summer country club. Choose our standard daily schedule (typically 8am - 3pm) or design a program that meets the specific needs of your school. Campers participate in four 1 hour dance classes each day. Choose from 11 dance styles ranging from hip hop to jazz to ballet to our popular "triple threat" program where kids sample three different styles (usually hip hop, jazz & a choice between lyrical, contemporary, Broadway or modern) in one camp.

***It's very simple to become an ADTC Community Partner...***

***Call 866-383-2382 or email [Info@DanceADTC.com](mailto:Info@DanceADTC.com). Absolutely NO COST to your organization!***

*Start a dialogue with businesses & organizations in your community. Once an organization/business agrees to be an ADTC Partner & host a dance class, program or event, we do all of the work! All the business or organization staff has to do is let us know when their facilities are available (appropriate dance spaces include fitness studios, gymnasiums, cafeterias, multi-purpose rooms or common areas) and what the rental fee is per-hour (we are also open to negotiating site rental on a percentage-per-camper basis). It helps if the business or organization can provide scheduling info and a link to our online enrollment form on their website.*
