Our 21-Day/20-Night ADTC ULTIMATE Cross Country Dance Camp session begins on Sunday afternoon and ends on Saturday morning/afternoon.

Sunday afternoon check in is from 3:00 - 4:30pm at the Stratton Mountain School in Stratton, VT. For campers beginning their TEEN TRAVEL adventure in California, check in will take place Sunday morning at the Reno Tahoe Airport (check in time to be confirmed no less than four weeks prior to your camp session). ADTC staff will be at the airport to meet arriving campers and fly with them to our Stratton Mountain, VT location for their first week of camp.

SATURDAY TRANSFER BETWEEN CAMPS

On the first Saturday we travel from Stratton Mountain, Vermont to Copper Mountain, Colorado, while on the second Saturday we travel from Copper Mountain, Colorado to Squaw Valley, California. All ground and air transportation between camps is supervised by at least one accompanying staff member (minimum one staffer for up to seven campers). The same staff member/s stays with the travel group throughout their TEEN TRAVEL Dance Camp experience to provide consistency and continuity. All travel details, along with the contact info for the accompanying staff member/s will be communicated to parents before camp.

LEADERSHIP PROGRAMMING FOR TEENAGE GIRLS

ADTC treats every girl as an individual with unique gifts and strengths. We are committed to maximizing girls' self-development. Our camps provide girls with a safe environment to develop new dance and social skills, and build self-esteem that will lead to better life choices and an opportunity to realize their full potential. We offer a totally distinct, custom curriculum for teenage girls that focuses on helping girls build leadership skills like self-reflection, critical thinking, sound decision making, goal setting, clear communication and personal accountability. As a result, ADTC girls develop a true sense of their personal power and potential and the outcomes are amazing!

ADTC programs for teens are girls-only, safe-space gatherings that meet daily after dance class. A typical teen session features a guided conversation led by one highly trained Adult Program Coordinator and an assisting Teen Facilitator. Topics might include school, body image, nutrition, relationships with family, friends and boys, careers, health or whatever the girls identify as pressing issues for them.

ADTC works with girls during the critical teen years, when personal choices that are made can have lifelong consequences. ADTC girls build leadership skills and character traits such as honesty, personal accountability, learning to listen to the viewpoints of others, clear communication, critical thinking about life and its choices and sound decision making. Through ADTC's Goal Setting Initiative, girls learn a process for setting, working toward, evaluating, and reaching tangible goals. These are all skills essential to success in dance, school, work and life.

ADTC offers TEEN TRAVEL campers the opportunity to develop as individuals among a strong group of peers. TEEN TRAVEL campers live together as a group while gaining skills in teamwork, trust, and communication through daily team meetings and discussions. Girls return home from this unique travel, dance & leadership adventure forever changed by their experience, and celebrating their accomplishments!
