## Multiple-Session Campers

For campers staying at ADTC two or more weeks: If friends, relatives, or parents of other campers will be taking your child off the camp grounds in-between sessions, written permission is required. All off-campus chaperones must be 18 years of age or older. All visitors must check in with the Director upon arrival at camp, and the camper must sign out with the director before leaving the camp grounds. ADTC is not responsible for campers away from the camp grounds with friends, relatives or parents.

If you would like to permit your camper to leave camp with an ADTC employee in-between sessions (camp directors may lead a Saturday field trip to the outlet shops in Manchester), written permission also is required.

A permission form covering both of these options will be handed out at check in.
