

FORM 4: CANTEEN / ACTIVITIES ACCOUNT SET-UP

CANTEEN ACCOUNT (all campers must open a canteen account)

The ADTC Canteen carries snacks, beverages, personal items, dance apparel & supplies, and ADTC t-shirts and souvenirs (visit our online store for recommended dancewear, exclusive ADTC logo wear and clever ideas for what to bring to camp). All spending money must be placed “on account” at the Canteen using this form. The ADTC Canteen accepts credit cards ONLY (no cash or checks). Campers make purchases against their Canteen balance and are not able to overspend their account – please budget for this when opening the account. Any money remaining in a camper’s Canteen account at the end of their session will be refunded to the credit card on file after check-out. Because each camper’s needs and interests vary, it is difficult to say how much spending money is necessary for the week. Based upon experience, **we would suggest depositing at least \$50 per session solely for incidentals** (snacks, beverages, stamps, postcards, etc.) - however, you will need to include more if the camper plans to purchase dance apparel or accessories. With the exception of multi-session campers, we do not recommend that campers bring cash to camp. ADTC is not responsible for lost or stolen money.

Please fund my child’s Canteen account with \$ _____ per session.

ACTIVITIES ACCOUNT (you **DO NOT** need to open an Activities account if you purchased the “Unlimited Activities Pass” during registration)

If your camper will participate in any of our optional activities requiring an extra fee (please see Form 3), her participation fee will be withdrawn from her Activities account (unless you purchased the “Unlimited Activities Pass” during registration). Campers choose which activities they will participate in each week during the Sunday afternoon team meeting – they can only sign up for activities if you have included enough money in their Activities account **AND** signed the necessary waivers. Please note that if your camper signs up for an activity, but does not report at her assigned time to participate, the activities fee is non-refundable. However, if an activity must be cancelled by ADTC (for example, due to weather), campers are refunded their fees. Any money remaining in a camper’s Activities account will be refunded to the credit card on file after check-out and **CANNOT** be used by the camper as canteen spending money. **Please use the prices listed on Form 3 as a guide for funding your child’s Activities account.**

Please fund my child’s Activities account with \$ _____ per session.

PAYMENT

Please indicate your payment option below & print legibly:

Type of Card: _____ VS _____ MC Name on Card: _____

Billing Address for card: _____

Card #: _____ Exp: _____ Signature: _____
