

## **ADTC – The ULTIMATE Overnight Dance Camp!**

### **AMERICAN DANCE TRAINING CAMP ULTIMATE HILL COUNTRY 2010**

#### **at Schreiner University in Central Texas**

Session 1: Sunday, June 27 - Saturday, July 3

Session 2: Sunday, July 4 - Saturday, July 10

Session 3: Sunday, July 11 - Saturday, July 17

In 2010, ADTC will hold three one-week ULTIMATE Overnight Dance Camp sessions for girls ages 8 - 17 in the Texas Hill Country, at Schreiner University in the beautiful resort town of Kerrville in Central Texas! Come join us for one week, two weeks, or all three!

#### **About Schreiner University**

Schreiner University is a small four-year college located in the heart of the Texas Hill Country - a scenic resort destination area known for its rolling hills, lazy rivers and down-home Texas hospitality. Schreiner U makes its home in Kerrville, TX - about an hour northwest of San Antonio, TX and 90 minutes west of Austin, TX. This vibrant campus and the natural beauty of the Hill Country provide an ideal atmosphere for American Dance Training Camp's ULTIMATE Hill Country camp.

To learn more about Schreiner University, visit their website: [www.schreiner.edu](http://www.schreiner.edu). Or, [click here to take Schreiner's online campus tour!](#)

#### **Dorm Life at ADTC ULTIMATE Hill Country**

At ADTC ULTIMATE Hill Country, we live in one of Schreiner's beautiful modern residence halls. Our dormitory serves as "home base" for all campers and staff. The rooms are either "suite-style" (with two rooms sharing one bathroom in between) or "traditional-style" (rooms along halls that share a large community bathroom). Either way, ULTIMATE Hill Country campers are bunked in doubles, with two campers to each dorm room.

It's just us in our living space... we'll have exclusive access to either the entire dorm, or to specific floors within our building. Hallway blocks are organized so that girls of similar ages are grouped together. ADTC staff (in single rooms) are either mixed in right along the hallways, or housed in RA (Resident Assistant) rooms on each floor. Either way, our staff provides campers with 24-hour supervision and support.

Building amenities include community lounges (for all-camp meetings, watching TV, doing arts & crafts and just hanging out), laundry facilities, and a Dance Canteen for basic supplies, snacks, dance accessories, and ADTC apparel and souvenirs.

Pictures, room layouts, camper packing lists and more dorm specifics will be included in the Registered Campers' Packet distributed to all registered campers this spring. (For information about roommate placements and requests, please see below.)

## **ULTIMATE Dance Classes**

Campers participate in four one-hour dance classes each weekday Monday through Friday, lead by ADTC's professional dance instructors. The focus of each of these mandatory classes is learning an appropriately challenging performance piece for the Friday Night Showcase. Performance pieces are unique to each session, meaning fresh and new choreography is taught in each of our four core dance classes, each and every week.

Our ULTIMATE Hill Country dance classes are held in Schreiner's beautiful, modern dance studio, aerobics rooms and gymnasium, all with hardwood floors and plenty of natural light. All dance rooms are just a short walk from our dorm.

ADTC's core dance disciplines are hip hop, jazz and musical theatre. Our four mandatory daily dance classes center on these disciplines.

Our core dance curriculum is designed to challenge dancers of all backgrounds and levels - from beginners through experienced performers. Dancers are organized into dance groups by ability level, allowing all campers to learn and progress at an appropriate speed. Class sizes are kept as small as possible to enable plenty of one-on-one interaction and attention.

Dance group placement is managed through a Dance Screening process. After check-in on Sunday, campers gather together to learn two short dance combinations, during which our staff evaluates each camper. This informal, non-competitive process helps our staff place campers in appropriate dance groups for the week.

Additionally, elective dance classes are offered during afternoon free time. Elective techniques offered during a session may include ballet, Latin or street jazz, lyrical, modern and tap. (Elective classes vary each week, and unfortunately we cannot guarantee that a particular elective dance style will be offered during any specific camp session.)

ADTC's dance instructors are members of some of the best national and international studios and performance groups. Our dance instructors are Broadway and MTV performers, collegiate dance team competitors and even Radio City Rockettes! To learn more, read our [Staff Bios](#) on our website.

All dance classes - both mandatory and elective - are included in the ADTC weekly tuition price. For more specifics on ADTC's ULTIMATE dance camp curriculum, visit the [Dance Classes](#) section of our website.

Or, [click here to watch a YouTube video of our camp dance classes in-action!](#)

## **Meals at ADTC ULTIMATE Hill Country**

Fresh and flavorful meals are served up three times a day in Schreiner's dining hall. Meal service begins after check-in with Sunday night dinner, and ends before check-out with Saturday morning breakfast. ADTC staff and campers eat together, allowing for lots of interaction and bonding time. All meals are included in the weekly tuition. (Campers with food allergies or special dietary restrictions, please see below.)

## **Team Events**

At the start of each week, the ADTC staff helps campers get to know each other and to build camaraderie by organizing the girls into teams. The teams earn points by competing in friendly events and working together to complete various tasks throughout the week (photo safaris, scavenger hunts, outside games, dance competitions, art projects, etc.). Individuals also earn points for their teams by keeping their dorm rooms clean and being on-time to dance classes, meals and camp activities.

More details will be explained at the All-Camp Welcome Meeting on Sunday evening. At the end of each week, an awards ceremony is held to recognize each team for their efforts and to celebrate the winning team. Campers should come ready to participate and have fun with their teams!

### **The Dance Canteen**

ADTC's Dance Canteen sells snacks, drinks, long-distance phone cards, postcards & stamps, toiletry items, dance-related apparel, supplies and souvenirs, and ADTC logo items like t-shirts, sweatshirts, dance pants and tanks. We set up the Canteen in a common area within our dorm. The Canteen is open during afternoon and evening free time. It's a favorite spot for campers to relax, listen to music and hang out with other campers!

### **Afternoon and Evening Activities at ADTC ULTIMATE Hill Country**

There's a lot more than dance happening at American Dance Training Camp!

Optional afternoon and evening field trips planned for ADTC ULTIMATE Hill Country this year include canoeing, kayaking and tubing along the cool, shady Guadalupe River, horseback riding in nearby Bandera (The Cowboy Capital of the World!), testing your skills on Schreiner's low ropes course, hiking through one of Hill Country's many scenic state parks, seeing a play or musical at a nearby historic theater (dependent on offerings), bowling, paintball adventures and more!

Evening all-camp activities center around our popular team competitions, like American Dance Idol, Team Cheers, Dance Trivia, and Flexibility/Strength/Leaps Night. These fun and friendly gatherings are a highlight of the week! Other evening activities may include dance-based games, roasting marshmallows around a campfire, an evening barbeque, or a dance movie night (age-appropriate, of course).

As if all of that isn't enough... free time choices also include taking an elective dance class, swimming in Schreiner's outdoor pool, representing your peeps in a fun team event, arts & crafts, socializing in the ADTC Canteen, working on dance steps with instructors, watching TV, or just relaxing in your room.

ADTC staff participates with campers during all activities and field trips. Registration/waiver forms and pricing for the optional field trips (as well as detailed weekly activity schedules) will be included in the Registered Campers' Packet distributed to all registered ADTC ULTIMATE Hill Country campers this spring. Optional field trips are priced separately from the ADTC weekly tuition. All other activities are included in the tuition price.

### **Friday Night Showcase = The Big Recital!**

Each session at ADTC ULTIMATE Hill Country culminates with a Friday Night Showcase. Throughout the camp week, campers help to choose the show's theme, fashion their costumes and design the sets. In just five days, campers learn performance pieces in four different dance disciplines. The Showcase gives our dancers the opportunity to show off the choreography they've been learning all week, and it is THE highlight of the week for most campers. Symbolic camp awards are presented at the end of the show, and an ice cream party for all campers and siblings follows.

The Showcase begins at 7:30 p.m. sharp on Friday night, and lasts approximately two hours. Parents, family and friends are strongly encouraged to come support their campers and cheer them on. It's a wonderful night for campers and parents alike. Don't miss it!

Showcase performance DVDs will be available to order when checking out your camper from camp.

## **Family Vacation Packages at ADTC ULTIMATE Hill Country**

Considered the "flagship" of the Texas Hill Country, Kerrville offers restaurants, hotels, museums, shops, and attractions that will keep ADTC parents and families wishing to stay in the area thoroughly entertained. Area activities include hiking, biking, winery tours, hunting, river activities like tubing, canoeing and kayaking, and much more.

Family vacation packages and discounts with nearby hotels will be announced in the Registered Campers Packet distributed to all registered ADTC ULTIMATE Hill Country campers this spring.

## **Getting to ADTC ULTIMATE Hill Country**

Schreiner University's address is 2100 Memorial Blvd, Kerrville, TX 78028. Kerrville is located approximate 271 miles from Dallas, 101 miles from Austin, 250 miles from Houston and 60 miles from San Antonio.

The closest airports to Kerrville are San Antonio International Airport (65 miles away) and Austin-Bergstrom International Airport (136 miles).

[Click here for a Google Map of Schreiner Univeristy and Kerrville, TX.](#)

## **Campers Flying Alone:**

ADTC staff will be at both the San Antonio and Austin airports through the early afternoon each Sunday to meet arriving campers and accompany them to camp. The chaperoned shuttle will depart San Antonio airport at approximately 2:00 p.m. and Austin airport at approximately 1:30 p.m. Campers' flights will need to arrive by 1:30 p.m. in San Antonio and 1:00 p.m. in Austin to be eligible for the group shuttle. If a flight is delayed, we either wait for the flight as a group, or an ADTC staffer waits to accompany the delayed camper.

Campers with flights scheduled to arrive later than the above times can be accommodated; please call us to discuss specifics in such cases.

Anyone wishing to ride on the ADTC chaperoned shuttle MUST submit an "ADTC Airport Shuttle Reservation Form" with their required camper paperwork. More details on the airport shuttle and an "ADTC Shuttle Reservation Form" will be included in the Registered Campers Packet distributed this spring.

## **Check In & Check Out**

Each ADTC ULTIMATE Hill Country camp session begins on Sunday afternoon and ends on Saturday morning. Check in on Sunday is from 2:00 - 4:00 p.m. Check out on Saturday is from 9:00 - 11:00 a.m.

## **Early / Late Arrivals and Departures**

We strongly encourage all campers to arrive by 4:00 p.m. on Sunday and check out by 11:00 a.m. on Saturday. If you simply cannot arrive or depart within these times, don't worry. Arrangements can be made by submitting the "Early/Late Arrival or Departure" form, which will be included in the Registered Campers' Packet distributed to all registered ADTC ULTIMATE Hill Country campers this spring. Please note that an extra fee may apply for an early arrival or late departure.

## **Extended Stay Campers**

Campers who may need to arrive one day early for their camp session or stay an extra night after their session ends usually can do so. To request these arrangements, please submit an "Extended Stay Form", which will be included in the Registered Campers' Packet distributed to all registered ADTC ULTIMATE Hill Country campers this spring. The fee for one extra night is \$75. Please note that we cannot accommodate arrivals prior to the first day of our first session or departures after the last day of our last session. Extended stay is based on availability.

## **Multi-Session Campers**

For campers staying at ADTC more than one week, ADTC covers the price of the camper's Saturday night stay. Thanks for joining us for an extra week!

Between sessions, 24-hour supervision is provided by our staff, just as it is during camp. For convenience and comfort, each multi-session camper is assigned to their same dorm room for the next session.

An exciting weekend field trip usually is offered for our multi-session campers, on Saturday afternoon. Possibilities include a trip into San Antonio to Sea World or Six Flags, or a visit to a nearby water park. Details, prices and a registration form will be included in the Registered Campers' Packet distributed this spring.

Multi-session campers need to allow for extra spending money in their canteen accounts to cover their weekend meals (Saturday lunch and dinner, and Sunday breakfast and lunch). ADTC staff accompanies campers either to one of the university's restaurants, or to the local downtown area next to campus. The group dines together and the staff pays the bill, after which the amount spent by each camper is deducted from her canteen account.

## **Roommate Placements / Requests**

Campers who come solo to ADTC (that's most of our campers!) are bunked together with another solo camper their own age. Roommate assignments cannot be communicated in advance, but after registering you will be invited to join our Social Network, where you can connect with other campers coming to ADTC ULTIMATE Hill Country during your chosen session. Girls who come to ADTC without knowing a soul usually leave us having made great friends and life-long connections.

If you're coming to ADTC with a friend and you want to room together, we welcome your roommate requests. Just fill out and submit the "Roommate Request Form" in the Registered Campers Packet that will be distributed to all registered campers this spring. (Roommate requests cannot be accepted any other way!) Coming with a group? Groups of friends can be placed in neighboring rooms - just list everyone's names on the Roommate Request Form (and be sure they do the same), and we'll take care of the rest.

## **Canteen & Activities Accounts**

Campers make purchases from the ADTC Dance Canteen on credit, meaning we keep track of exactly what the campers spends, then charge the parent's credit card at the end of the week. Parents pre-authorize their campers to spend up to a certain amount at the Canteen each week, and ADTC's staff ensures each camper stays within her limit.

Fees for the optional field trips are handled the same way. On Sunday during their first team meeting, campers register for the optional activities they will participate in during their session. The fees for these activities are then paid by the parent with a credit card at check out.

A valid credit card is required to be on file for each camper during camp. We cannot accept cash or checks to pay canteen or account balances. For security reasons, we do not allow campers to have or use cash while at ADTC.

More details and a "Canteen & Activities Account Set-Up Form" will be included in the Registered Campers' Packet distributed this spring.

## **Health and Wellness**

The ADTC staff is very accustomed to assisting campers with all types of medical needs. Rest assured that we are capable of taking great care of your camper's health needs while away from home.

ADTC has a licensed physician or nurse on-site daily and on-call 24/7 during each camp session. Additionally, all ADTC staff are trained in basic first aid and life-saving techniques. In the event of an emergency, the [Peterson Regional Medical Clinic](#) is two miles from the Schreiner University campus.

Campers needing to take prescription medication will be assisted by ADTC staff; we keep all medications safe and distribute it as directed. Campers with inhalers should bring two - one to keep with her and one for us to hold. Those with severe allergies must bring their own anaphylactic kit.

Detailed camper health questionnaires and physical forms will be part of the required paperwork needed from each camper prior to arrival at camp. These forms and more information will be provided in the Registered Campers' Packet distributed to all registered campers this spring.

## **Food Allergies &/or Dietary Restrictions**

Campers with special dietary needs (food allergies/sensitivities, vegetarian, vegan, Kosher... anything!) do not need to worry about how they will stay safe, healthy and well-fed at ADTC. The food-service staff at all ADTC locations is very accustomed to handling all kinds of special dietary restrictions.

We encourage campers with special dietary needs to bring to camp any desired or necessary food items they may need during their camp stay. These items are stored appropriately in the kitchen and can be served to the camper based on a schedule you discuss directly with the kitchen staff.

Parents are encouraged to speak with the kitchen staff and the camp nurse upon check-in to share details about your camper's special dietary needs. Should you wish to speak with the kitchen staff and/or nurse prior to camp, we can put you in touch with them approximately one month prior to your camp session.

## **Safety, Supervision and Support**

ADTC's staff provides campers with 24-hour supervision, help and support. Whether it's a scraped knee or late-night homesickness, our counselors are there for your camper.

Being an effective counselor is more art than science, and the role is oftentimes complex: mentor, role model, dance instructor, comforter, disciplinarian... sometimes all at once. Our staff understands this implicitly. They approach their jobs with a true love for kids and a firm sense of responsibility.

Younger campers are escorted between activities, meals and dance classes. Older campers are trusted to transition between activities around campus, using the "buddy system," and to check into their next activity in a timely fashion. Team leaders account for all campers after each transition. All camp activities - even free time and TV watching - are supervised by ADTC staff.

All off-campus activities are run through professional third-party outfitter companies. Any necessary driving to and from off-campus activities is handled by a professional shuttle company. All off-site events and activities are chaperoned by ADTC staff.

For everyone's safety, curfew is at 10:00 p.m. nightly. All campers must report to their hallways at this time. Campers' dorm rooms must be locked at bedtime and remain locked until 7:00 a.m. A counselor remains on-duty through the night to watch the halls and help any campers in-need.

### **Our Staff = Our Success**

From dance class and meals to activities and free time, our counselors are constantly interacting with the campers. We do this not only to ensure each camper's safety and well-being. We do this to get to know each girl as a person, so we can understand and support the unique individual she is.

We measure the success of the ADTC ULTIMATE camping program not in the teaching of dance alone, but more importantly in how we are able to positively affect the lives of our campers.

ADTC is proud to have the best staff in the residential dance camp industry. Each year our counselors undergo a rigorous hiring process that includes a 14-page application, extensive interviews, background checks, reference verification, CPR & first aid certification, physical exam and an intense multi-day staff training on-site before camp begins.

And the results are amazing! You couldn't ask for more interesting, sensitive and enjoyable teachers and counselors. ADTC's staff members are bright, enthusiastic, talented and well-educated people who love sharing their passion for dance - and life - with our campers. They are the foundation of our successful dance camp programs.

### **Still Have Questions? Contact Us!**

We'd love to talk to you! Call us at 1-866-383-ADTC (2382) or fill out our [Contact Request Form](#).

**We hope to see you at ADTC ULTIMATE Hill Country this summer!**
